

## Annual Report 2022

- In total there are currently 131 individuals on the internal wait list in Arrowhead West CDDO catchment area. 67 of the individuals are age 18 and older.
- There are 64 individuals on the comprehensive wait list who are under age 18; therefore, personal care services (PCS) would be the only type of funding available to them. Several over the age of 18 would also only choose PCS if funding was offered (rather than agency residential services).
- Currently individuals that have been on the wait list through 01/08/2013 have been funded by KDADS. Individuals placed on the wait list 01/09/2013 or after are still waiting. Therefore, individuals continue to wait nearly **10 years** to come off the state’s wait list!
- 8 individuals from the Arrowhead West CDDO catchment area were removed from this CDDO’s wait list in 2022.
  - Voluntary removal (moved out of the catchment area or individuals no longer needing services) – 2 individuals
  - HCBS funded through crisis funding – 0 individuals
  - HCBS funding offered and accepted – 5 individuals
  - HCBS funding offered and declined – 1 individual
- 20 individuals were added to the wait list in this CDDO area in 2022.
