2024 Annual Report

- In total, there are currently 125 individuals on the internal wait list in the Arrowhead West CDDO catchment area. 61 of the individuals are age 18 and older.
- There are 64 individuals on the comprehensive wait list for the area who are under age 18; therefore, personal care services (PCS) would be the only type of funding available to them. Several over the age of 18 would also only choose PCS if funding was offered (rather than agency residential services).
- Currently, individuals that have been on the wait list through 1/19/2016 have been offered funding by KDADS. Individuals placed on the wait list on 1/20/2016 or after are still waiting. A massive “mega-round” of ~800 wait list offers was sent out statewide from July through September 2024. While this did help decrease the waiting list significantly, individuals still continue to wait over **8 years** to come off of the state’s wait list.
- 28 individuals from the Arrowhead West CDDO catchment area were removed from the wait list in 2024.
 - Voluntary removal (moved out of the catchment area/out of state or individuals no longer needing services) – 6 individuals
 - HCBS funding offered and accepted – 11 individuals
 - HCBS funding offered and declined – 0 individuals
 - HCBS funding offered, but unable to locate – 10 individuals
 - HCBS funding offered but financially ineligible – 0 individual
 - HCBS funded through crisis funding – 1 individual
- 14 individuals were added to the wait list in this CDDO area in 2024.
